## Section Two: Required conditions for application consideration

<i>I</i>		, owner/ property manager/ tenant of uni		
		agree to the following conditions, should consent be granted:		
	1.	the pet will be supervised at all times on the common property. Dogs will be or		

- 1. the pet will be supervised at all times on the common property. Dogs will be on a lead and cats will only be on the common property by prior arrangement or in appropriate cat-carriers
- 2. the pet will be fed, exercised and properly cared for at all times
- 3. that arrangements will be made for a 'pet-sitter' or cattery/kennel care for the animal if the pet-owner is away overnight
- 4. pet-owners will ensure that their pet visits their veterinarian regularly and are up-to-date with all vaccinations, flea treatments, worm treatments etc.
- 5. should the animal move out or pass away, consent for a replacement must be requested.
- 6. should any noise or disruption be reported by other residents, or should any of the above conditions be breached, consent for a particular pet will be revoked, and the pet-owner will have fourteen (14) days to arrange for their pet to reside elsewhere

## **Section Three: Pet details**

To be considered suitable, pets need to be:

#### Dogs

- no bigger than 20kg fully grown (except where the dog is a guide dog or similar)
- a suitable breed for close living quarters
- trained (must be voice controlled)
- of a cat-friendly and people-friendly nature
- desexed and vaccinated

### Cats

- a suitable temperament for remaining in contained quarters all of the time
- house-trained, litter-box trained
- desexed and vaccinated

	Pet Details		
Type of animal		Name	
Age		Gender	
Breed		Size	
Weight		Is the animal desexed and vaccinated?	

Management plan:		
(How do you plan to manage toilet, exercise, access, noise, company etc. for your pet in a multi-unit property?)		

Please attach a recent photo of the pet you are requesting consent for, with the animal's name, your name and the unit number written on the back of the photo.
